The [Guardian and Airmen Innovation Network \(G.A.I.N.\)](#) platform is now live and open for Spark Tank submissions. **The deadline for all submissions has been extended to Oct. 15, 2021.**

Spark Tank is an annual competition during which Airmen and Guardians pitch innovative ideas to top Department of the Air Force leadership and a panel of industry experts. The personnel with the most game-changing and upvoted ideas then compete at the culminating Spark Tank event. New this year to Spark Tank are innovation awards.

Trophies/plaques will be awarded to recognize the innovative solutions proposed/developed by Airmen and Guardians across the enterprise. Please review the requirements (including a 3-minute video) for all submissions at <https://www.afwerx.af.mil/spark-tank.html>. Feel free to contact the Warhawk Improvement and Innovation Office lead, Ms. Jennifer Bear, at DSN 473-2314 or jennifer.bear@us.af.mil for questions regarding Spark Tank submissions as well as any other CPI or Innovation related topics.
